- Try to find as many of these things on the list as you can and write down your answer for each item.
- The number* you come up with for each item will add up to your total points. (*There is a perfect score total by the way!)
- The person with the highest total will win the Superbowl Super Otter Scavenger Hunt Grand Prize!

The winner will be announced on Sunday, February 4th during the Superbowl. **You must be present to WIN!**

(In case of a tie, every person with the matching score will be put into a drawing and the winner will be selected at random.)

Please fill out the information below and **GOOD LUCK!**
